BrightCreations 100 Pack Picture Frame Corner Protectors for Shipping Art, Adjustable Cardboard Edges for Paintings (Fits 1", 1.5", 2.2" Frames). $23.99 for 100 Corners. $23.99

About this item
- Picture Frame Corner Protectors: These cardboard corners are designed to protect valuable paintings, artwork, picture frames, and books during transportation or storage
- Quick Assembly: The cardboard corner protectors are shipped flat and can easily be assembled in seconds; simply fold along the lines to your preferred width before applying onto frame corners
- Reliable Quality: The shipping corner protectors are made from thick, corrugated cardboard to provide additional protection against impact while shipping, packaging, and moving
- Adjustable Size: The cardboard packing corners have 3 tab slots that can easily be adjusted to fit frame corners that range between 1 and 2.2 inches thick
- Comes With: You will receive 100 cardboard corners for packing paintings.
